

# SAINTS UPDATE FOR SUMMER 2023!

## WHAT WE DID:

### Kids and Parents Lunch Club

We put on free hot lunches in the cafe for kids and parents/guardians from low income families.

### Senior Lunch Club

We offered a bowl of soup, a sandwich and a hot or cold drink for just £1 in our café for pensioners. This will be continuing until the end of September.

### Staycation Holiday Club

We ran free kids activities that were open to all every week of the holidays on Tuesday, Wednesday and Thursdays.

### Fresh Food Fridays

We offered fresh fruit and veg bags which could be collected once a week for any household that was in need of extra support. These included recipe cards to encourage people to make use of the fruit and veg being provided.

### School Shoes Project

We were able to purchase new school shoes for a number of children from low income families.

### Breakfast Club

We put on free breakfast for children every day we were open from 9.30-10.30am
